

**Amendments to the Drawings:**

The attached replacement drawing sheet makes changes to Fig. 2 and replaces the original sheet with Fig. 2.

Attachment: Replacement Sheet (1)

**REMARKS**

Claims 1-4 are allowed in this application. By this Amendment, Applicants respectfully request the amendment of Fig. 2 to comply with the Examiner's objection that Fig. 2 should be labeled "Prior Art".

Applicants respectfully submit that the amendment should be entered under the provisions of 37 C.F.R. §1.312 and MPEP § 714.16 because it (1) merely embodies the correction of formal matters without changing the scope of the claims; (2) is needed to comply with the Examiner's objection that Fig. 2 should be labeled "Prior Art"; and (3) will not require substantial additional work by the Examiner because the amendment was agreed to in a May 22, 2007 telephone conference with the Examiner. The amendment was not presented earlier because it is made in response to the Examiner's objection, and this is the first opportunity Applicants have had to rectify the informality.

In view of at least the foregoing, Applicants respectfully request entry of the amendment.

Respectfully submitted,
